ENGINEERING, PROCUREMENT & CONSTRUCTION PROJECTS

PRE-QUALIFICATION OF CONSULTANTS & CONTRACTORS INVOLVED IN HOUSING PROJECTS & INFRASTRUCTURAL DEVELOPMENT

Our client is a newly established agency of the **Rivers State Government**, which is saddled with the responsibility of providing an enabling environment for infrastructural planning and development, amongst others of the **Greater Port Harcourt City**.

The Agency aims to transform the area delineated as Greater Port Harcourt into a modern, World Class City through its Master plan developed by foreign and Rivers State Consultants.

Port Harcourt is the hub of the oil and gas sector in West Africa. The Master plan drawn up by foreign and Nigerian Consultants is one of the most ambitious Greenfield real estate developments in Africa. It covers residential housing estates, industrial and commercial areas, business districts, shopping malls, as well as recreational and hospitality complexes.

The Agency would like to pre-qualify **Consultants & Contractors** involved in international standard urban development projects and interested in partnering with it to implement the Greater Port Harcourt City Master plan and design detailed drawings, especially in the following areas:

- Housing Development
- Road Construction
- Drainage and Storm Water Channels
- Civil Works
- Infrastructure
- Power Generation and Distribution
- Water Supply and Reticulation
- Bulk Sewer and Sewerage Treatment
- Environmental Impact Assessment
